

Hot off the Press!

September NEWS 2011

Greetings & Kia Ora..

Yeah! Its spring and we can't wait for the lovely spring days to start. The Tui room went to the West Lyn (Butterfly) Gardens, what a wonderful morning we had and with it being the beginning of spring there were lots of lovely spring flowers. It was a great day there was so much to see and talk about. We also had a delicious picnic lunch. These excursions are such a valuable part of your child's learning as it brings the world around them alive. So a big **"THANK YOU"** to all parents, families/whanau who were able to come along and help as well as being a big part of your child's **"Big Day Out"**.

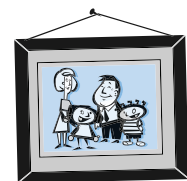

World Cup

What a lot of fun we had dressing in black supporting the All Blacks. Or the colours of the team we are supporting. There was lots of face painting that looked really cool. Have a look at all the photos on the wall. Go the **"All Blacks"**.

Welcome New Families

We welcome all new families/whanau into our centre and we look forward to building good relationships with both you and your children.

Photos

We have had the Positive/Negatives photographer come into the centre this month. The proofs have come back and what gorgeous photos have been taken of the children (and some of the staff☺). I know it's going to be very hard for you to choose which ones you would like developed. Good timing for Christmas presents. The proofs are free and yours to keep and there is no obligation to buy any.

Dinner & Disco

How exciting! What a FANTASTIC night we had on Friday the 16th September. That's right it was our **DISCO** evening. It was well supported and lots of fun. It was really good to see some of our children who have left and gone to school come back with their family or friends. We all brought along our own dinner and Lollipops supplied the drinks (non alcoholic). There were some great moves on the dance floor☺. Thank you for your wonderful comments and feed back about the night, it's good to hear that both you and your children enjoyed the evening. It also gives you the opportunity to meet your children's friends and their families, which can often lead to lifelong friendships.

Hats, Hats, Hats!!!

It's time to start swapping the winter hats for summer ones. So we ask all parents to please provide a named sun hat for your child. We suggest that this hat stays at the centre for the summer season. THANK YOU.

For Sale...

If you have notices you would like to display in regards to wanting to buy sell, or of interest please see me (Jackie)
