

Lollipops Highbrook Newsletter

Welcome... Nau mai haere mai

All the staff would like to send a warm welcome to all our families. Some of you have returned after a good break over the Christmas period, some of you unfortunately did not get a break, and some of you are new to Lollipops Highbrook - so greetings and warm wishes to everyone.

Personally I would like to say thanks to everyone for making me feel welcome here at Lollipops. This is my third week and I am enjoying learning my daily tasks, getting to know parents and staff and also spending time in all the classrooms. I can honestly say that the children here have a fantastic day!!

PARENT BBQ

We would like you to join us for a casual BBQ evening on Thursday 23 February between 4:30pm-6:00pm. This is a great opportunity to have a chat with your child's teachers and parents of other children. The centre will provide sausages which will be ready from 4:30pm onwards. We ask if families can bring a small plate of food (preferably on a disposable plate) of either salads, finger food or dessert.

Notices...

WEEKLY NEWSLETTER: At the beginning of each week I write a 'Weekly Newsletter.' The purpose for this is to inform families about things that are happening in our centre and to remind families about any house keeping issues. The Weekly Newsletter will be displayed next to the sign in sheets, so please take the time to have a quick read.

PLAYBALL: This starts up again on Monday 13 February. The programme is designed for children in any of the 'Young Children' classes. Please sign up at reception if you are interested.

ROAD WORKS: Will be starting up outside our centre very soon and could go on for many weeks. We have been told this will not cause too much disruption to our parents while collecting children.

INVOICES: These will be sent out to ALL families once every month. However if your account is in arrears, then you will receive an invoice each week. Please check that everything looks in order and see us at the front desk if you have any queries.

CHANGE OF DETAILS: Have you moved house or changed jobs recently? Please let us know your new contact details, especially your phone numbers. This year our goal is to have all families linked to our system via email. This will enable us to email all invoices, and weekly & monthly newsletters.
